Please Accept Our Terms of Service To Continue

In order to use the tools and services provided by Spotify for Developers (/), you need to accept our Terms of Service below.

Spotify may assign, delegate or novate this Agreement or any part thereof to any third party without restrictions.

6. **Third Parties.** Each corporate affiliate of Spotify shall be a third party beneficiary to these Developer Terms, and such corporate affiliates shall be entitled to directly enforce, and rely upon, any provision of these Developer Terms which confers a benefit on them (including the right to enforce your end user license agreement). Other than the preceding sentence and Section V.13, nothing in this Agreement shall create any third party beneficiaries, or confer any rights in any third parties.
7. **Publicity.** You may not suggest a partnership with, sponsorship by, or endorsement by Spotify without Spotify's prior written approval. You permit

Spotify to make public statements about your use of the Spotify Platform at any time.

8. **Term, Termination and Survival.**

1. This Agreement begins on either (i) the date you demonstrate your acceptance of the Developer Terms or (ii) when you first use the Spotify Platform, and shall continue until terminated (the "**Term**") as permitted under these Developer Terms.
2. Compliance with the provisions of these Developer Terms is very important. Any licenses contained in these Developer Terms will

I accept the Spotify Developer Terms of Service (/terms).
